Global Trends and Transformative Technologies**

# Welcome Message

Dear Colleagues and Friends,

Greetings!

It is my great pleasure to welcome you to **SMICTSI 2026 – the 10th Annual Conference of the Society of Minimally Invasive Cardiovascular and Thoracic Surgeons of India (SMICTSI)**, being held in conjunction with the **34th Annual Congress of the Association of Thoracic and Cardiovascular Surgeons of Asia (ATCSA 2026)** and in association with the **12th Annual International Coronary Congress (ISCAS)** and the **International Society for Minimally Invasive Cardiothoracic Surgery ISMICS-workshop**.

The congress will take place from **20–22 November 2026** at the iconic **Yashobhoomi – India International Convention Centre, Dwarka, New Delhi, India**. This landmark convergence of SMICTSI, ATCSA, ISCAS, and ISMICS represents a unified global platform dedicated to advancing excellence in cardiac, thoracic, minimally invasive cardiothoracic surgery, and heart failure management. The collaboration reflects our shared commitment to innovation, evidence-based practice, and meaningful international exchange.

Anchored by the theme **“Redefining Cardiothoracic Care: Global Trends and Transformative Technologies,”** the scientific program has been meticulously crafted to deliver exceptional academic value. The conference will feature eminent national and international faculty, cutting-edge research, live and interactive sessions, and integrated scientific contributions from all partner societies—offering a truly enriching and contemporary learning experience.

I warmly invite cardiothoracic surgeons, cardiac anesthesiologists, trainees, researchers, industry partners, and allied healthcare professionals from across the world to participate in this prestigious gathering. I am confident that **SMICTSI–ATCSA–ISCAS–ISMICS 2026** will foster knowledge exchange, professional camaraderie, and enduring collaborations that will shape the future of our specialty.

I look forward to welcoming you to **New Delhi, India in November 2026** for this landmark event.

With warm regards,
