WELCOME MESSAGE

Dear Esteemed Doctors,

Greetings !

As a President of the Society of Minimally Invasive Cardiac Surgeons of India, it is my honour and privilege to extend a warm invitation to you to attend the upcoming 8th Annual Conference of Society of Minimally Invasive Cardiovascular and Thoracic Surgeons of India in Kolkata. This momentous event will take place at Biswa Bangla Convention Centre, Kolkata from 20th - 22nd September 2024.

The theme of this conference is "Advancements in Minimally Invasive Cardiac Surgery," reflecting the rapid progress and innovative techniques in the field. We believe that this gathering of medical professionals will provide an excellent platform for knowledge exchange, collaboration, and the exploration of ground-breaking approaches in minimally invasive cardiac surgery.

As pioneers in this specialized field, it is crucial for us to come together, share our experiences, and learn from one another. The conference will feature a diverse range of sessions, including keynote speeches, panel discussions, interactive workshops, and presentations from esteemed experts in the field. We are confident that the scientific program will be intellectually stimulating and foster a vibrant atmosphere for networking with fellow professionals.

Attending this conference will offer you numerous benefits:

Knowledge Enhancement: Gain insights into the latest advancements and techniques in minimally invasive cardiac surgery through presentations and discussions by renowned experts.

Continuing Medical Education (CME) Credits: Earn valuable CME credits by participating in the conference, ensuring your professional growth and development.

Networking Opportunities: Interact with esteemed colleagues, experienced surgeons, and industry leaders to establish professional connections and foster collaborations.

Cutting-Edge Technology Showcase: Explore the latest innovations and technologies in the field of minimally invasive cardiac surgery through the exhibition area, where leading companies will display their products and services.

Cultural Experience: Immerse yourself in the vibrant city of Kolkata, known for its rich heritage, literature, art, and delectable cuisine, enhancing your conference experience beyond the scientific program.

We are certain that your presence at this conference will contribute significantly to the exchange of knowledge and the advancement of minimally invasive cardiac surgery in India. Your expertise and insights will undoubtedly enrich the conference discussions, leaving a lasting impact on the field as a whole.

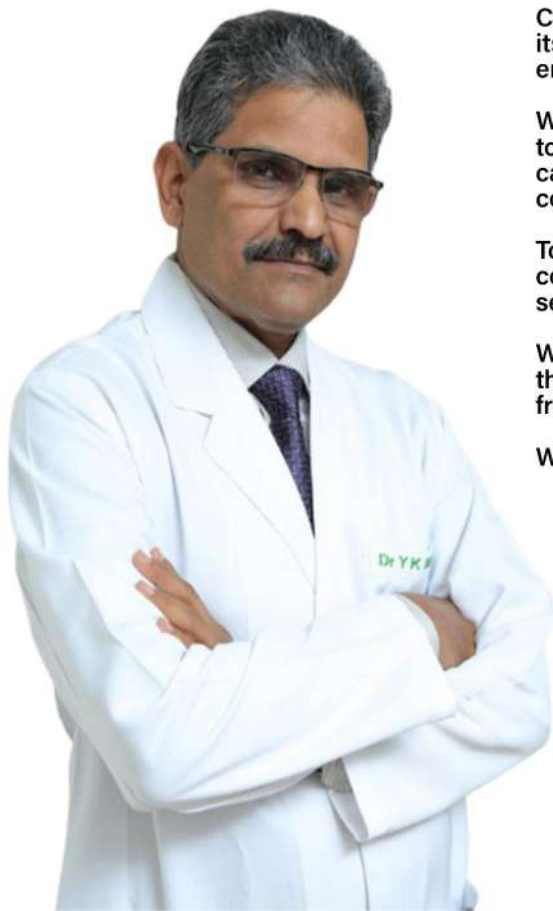

To register for the conference, please visit our official conference website or contact our organizing committee at . Early registration is highly encouraged to secure your place and avail of any early-bird discounts.

We eagerly anticipate your participation and look forward to welcoming you to the Cardiac Conference in Kolkata. Together, let us strive towards advancing the frontiers of minimally invasive cardiac surgery and improving patient outcomes.

With best

Dr. Yugal K Mishra
President

**Society of Minimally Invasive Cardiovascular
and Thoracic Surgeons of India**

WELCOME MESSAGE

Dear Esteemed Doctors,

Greetings !

It is with great pleasure I welcome you all to the 8th Annual Conference and Workshop of the Society of Minimally Invasive Cardiovascular and Thoracic Surgeons of India (SMICTSI), to be held on the 20th, 21st & 22nd of September 2024 at Kolkata.

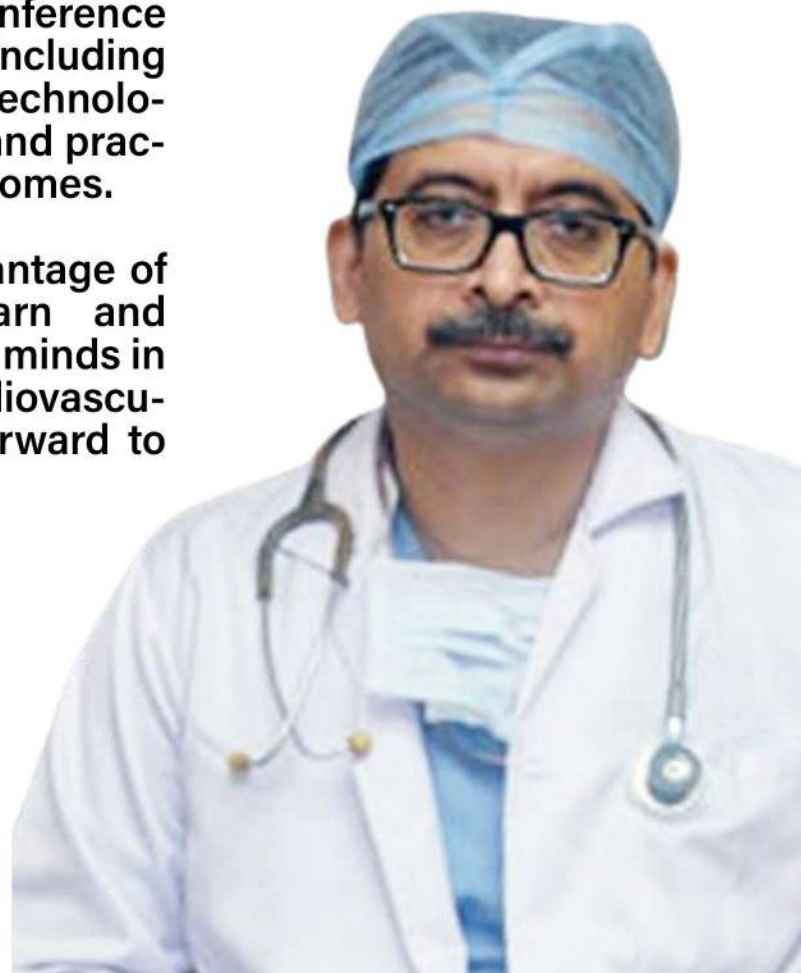

This conference promises to be an outstanding event, bringing together leading experts in the field of minimally invasive cardiovascular and thoracic surgery to share their knowledge and expertise, as well as with attendees from around the world.

Over three exciting days, you can look forward to a diverse program of keynote lectures, panel discussions, workshops, and networking opportunities. The conference will cover a wide range of topics, including the latest surgical techniques and technologies, emerging trends in the field, and practical tips for improving patient outcomes.

I encourage all of you to take advantage of this unique opportunity to learn and connect with some of the brightest minds in the field of minimally invasive cardiovascular and thoracic surgery. I look forward to

Dr. Sushan Mukhopadhyay
Organising Chairman
SMICTSI 2024

Programme Highlights

- Aortic
- Mitral
- Multi-vessel CABG
- Proximal Aortic Surgery
- Alternative approaches to the heart
- Percutaneous Structural Valve Therapies
- Robotics
- Endoscopic Cardiac Surgery
- Endovascular Therapies (Artery & Vein)
- Endovascular Harvesting (Various Modalities)
- Graft Flow Measurement
- Hybrid Operation Theatres (Hybrid Procedures)
- ECMO & LVAD (Minimally Invasive Approaches)
- Paediatrics

International Faculty

Dr. Ali Zamir Khan

Chief, Dept of Minimally Invasive & Robotic Thoracic Surgery, Medanta
Blackpool, United Kingdom

Dr. Chirojit Mukherjee

International faculty and medical advisor
for Indian Association of Cardiothoracic
Anesthesia (IACTA)
Frankfurt, Germany

Dr. Denis Bouchard

Chief of Minimally Invasive Cardiac
Surgery and Cardiac Surgery Training
Program Director
Montreal, Canada

Dr. Frank Van Praet

Cardiac Surgeon,
Chair of cardiac surgery and co-director,
Cardiovascular Center OLV Aalst
Leuven, Belgium

Dr. Gianluca Torregrossa

Associate Professor - Director of Robotic
Coronary Program and Coronary
Revascularization Program
Philadelphia, United States

Dr. Jean Philippe Verhoye

Head of Cardiac and Vascular
Thoracic Surgery, Rennes University
Hospital
Rennes, France

Dr. Keita Kikuchi

Senior Consultant and. Chief
of Cardiovascular and Thoracic Surgery,
Apollo Hospital, Bangalore, India
Tokyo, Japan

Dr. Mattia Glauber

Chief of Minimally Invasive
Cardiac Surgery Dept
Milan, Italy

Dr. Pavan Atluri

Director, Minimally Invasive and
Robotic Cardiac Surgery Program
Pennsylvania, United States

Dr. Piroze Davierwala

Associate Professor and
Surgeon-Investigator
Toronto, Canada

Dr. Ranjit Deshpande

Consultant Cardiac Surgeon,
Chairman of BISMICS, NHS
London, United Kingdom
