Dear Friends,

Greetings !

Wish you and your family a joyful, healthy, prosperous and happiest NEW YEAR,

SMICTSI collaborates with India Medtronic Pvt. Ltd. in joint teaching and training activities through **SKILL DEVELOPMENT COURSES** in the field of Cardio Vascular Medicine.

Keeping in mind the newer technique and technological development which are happening and going to be adapted by all of us in the near future.

In Skill Development Courses, modules are designed to enhance the operative and endovascular skills in practicing cardiovascular surgery.

We have design 8 modules, which are as under;

- Minimally Invasive Mitral Valve Surgery - 9th January 2021
- Minimally Invasive Aortic Valve Surgery - 13th February 2021
- Minimally Invasive Coronary Artery Surgery - 13th March 2021
- Surgery for Thoracic Aorta - 27th March 2021
- Surgical Treatment for Heart Failure - 10th April 2021
- Management of Cardiac Arrhythmia - 24th April 2021
- Trans catheter Aortic/ Mitral valve implantation - 8th May 2021
- Endovascular stenting of Thoraco abdominal Aorta - 22nd May 2021

The course has been nominated as the best by International and National cardio vascular experts.

We look forward to welcoming you to a lifetime experience of an unparalleled fest of knowledge sharing and skill development.

We request you all to **BLOCK THE DATES** and participate in the landmark courses.
